

Plug-in

Order Code:

FGPLBW – *Plug-in*

With its discrete and attractive design the Plug-in is recommended for use in domestic and professional environments.

Using a UK 230v mains socket, no batteries are required. The Plug-in uses a powerful ultraviolet lamp which attracts flying insects.

On the inside of the unit a glue board is placed on which the insects are trapped. This glue board is placed out of sight providing discrete control of the flying insects.

Useful as a night light, the Plug-in is easy to install, easy to service and safe to use.

Actual size W 9 x H 27.7 x D 7.5 cm

Plug-in
