

Order Code:

**HMA4AP** – Master hand dryer in polished stainless.

The Magnum **Master** is the new generation high speed, automatic hand dryers that will dry your hands in approximately 15 seconds.

With its internal switch, there is the option to have the heater on of off. A blue light guides the user to the airflow.

In polished stainless steel the Master is perfect for high usage areas or where the client requires amazingly quick drying times.

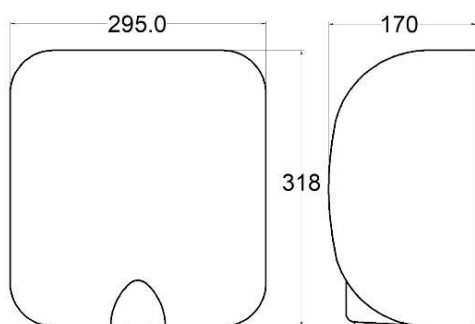

## ***magnum* Master Hand Dryer**
